Re: United States v. Thiodore Igorovich Galitsa, No. 17 Cr. 324 (VEC)

Dear Judge Caproni:

I apologize for missing the deadline for responding to the defense motion for a new trial and the Court's order to show cause. I had in my notes that the Government's response was due 30 days after the defense submission, but after reviewing the trial transcript, I realize that the defense had 30 days to *file* post-trial motions. Moreover, for whatever reason, I did not receive or inadvertently deleted the ECF notification regarding the Court's order to show cause. With the Court's permission, the Government will promptly file its response to the defense motion tonight or tomorrow morning.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney for the
Southern District of New York
